

WE HELP HUDSON

Through the generosity of Hudson residents like you, the Hudson Community Foundation works to improve the quality of life in this extraordinary place we call home. Together, we are always asking, "What can we do to help?"

WE HELP BY:

Creating endowments for long-term purposes, such as funding our fireworks forever

Enhancing our community with arts, culture and historic preservation

Providing educational enrichment for local students, including those who live below the poverty line

Supporting groups that build character and self-esteem in our kids

ACHIEVE YOUR CHARITABLE GOALS WHILE **HELPING** YOUR COMMUNITY
