

Community News from HCF

Message from the President

As with everyone in our community, the Hudson Community Foundation remains highly concerned about the health and safety of all our residents — especially the elderly, children and anyone with underlying health issues.

We have been asked what people can best do to help those in need, as well as how the Foundation itself is impacted by COVID-19.

We remain in contact with Summit County authorities, and they are aware we stand ready to help in any way possible.

We have three funds established to collect contributions that can be helpful in times like these:

1. The **Hudson City Schools Student Assistance Fund**, supports Hudson Public School students facing financial hardship.
2. The **Hudson Food Pantry Fund**, supports the Hudson Food Pantry and those families and individuals who rely on its services.
3. The **Social Services Fund**, which is designated to help meet human services activities conducted as needed by non-profit organizations located in or directly serving the Hudson community.

If you are interested in learning more, or want to make a contribution, go to our website at www.myhcf.org/hcf-funds or call our office at 330-655-3580.

At this time, the HCF office remains open during normal business hours to serve our donors as they contribute to charities locally and across the country. We will adjust our office hours if necessary. In-person visits are discouraged. Please call or email us, and we will get back to you in a timely manner.

Thank you for your support and your generosity to the charitable organizations that work diligently to serve our community and our society.
